

PRESS RELEASE

Protergia ensures confidence and security by keeping electricity prices stable for the 8th consecutive month (February)!

For further confidence, it also offers the new stable 12-month Value Secure bill for the whole 2025 at €0.099/kWh

Athens, Greece – 27 January 2025 – Protergia, an integral part of METLEN Energy & Metals, continues to offer the special "green" residential bill Value Special at €0.159/kWh for the 8th consecutive month, with respect and responsibility towards its customers.

Additionally, it guarantees certainty and security for all of 2025 by offering the new "blue" Value Secure 12M at the highly competitive price of €0.099/kWh with a consistency discount.

Protergia's prices remain consistently competitive and beneficial for consumers, for several months now, both for electricity products and for the combined Power & Gas products. Specifically:

Protergia's consistently competitive prices remain available across all its electricity products as well as its Power & Gas bundles:

- For the 5th consecutive month, the residential "blue" Value Safe 12M bill is offered at the same price of €0.125/kWh, regardless of consistency.
- For the 5th consecutive month, the combined offer for the fixed Value Power & Gas 12M product is available at the same price of €0.115/kWh for electricity and €0.0399/kWh for natural gas, for residential customers.
- For the 10th consecutive month, the residential "yellow" variable bill is offered at the same price of €0.09093/kWh with consistency, under the Value Swift on time.
 - For the 5th consecutive month, the residential "blue" Value Safe 12M bill is offered at the same price of €0.125/kWh, regardless of consistency.
 - For the 5th consecutive month, the combined offer for the fixed Value Power & Gas 12M product is available at the same price of €0.115/kWh for electricity and €0.0399/kWh for natural gas, for residential customers.

- For the 10th consecutive month, the residential "yellow" variable bill is offered at the same price of €0.09093/kWh with consistency, under the Value Swift on time.

Finally, as always, any government subsidies will be directly deducted from customer bills.

Protergia remains committed to supporting consumers, positively responding to market fluctuations.

Always with Protergia's Confidence and Security.
