- *For the 10<sup>th</sup> month the Valu Special bill is fixed at 0,159 €/ KWh*
- *Fixed bill Value Secure 12M at 0,099 €/ KWh*
- *Variable bill Value Swift on time at 0,09093 €/ KWh*

**Athens, Greece – March 24, 2025** – In the shifting energy market, **Protergia**, an integral part of **METLEN**, continues to offer Safety and Confidence by maintaining its tariffs consistently in April with competitive and beneficial offers for consumers in electricity products, as well as reduced prices for combined Power & Gas products.

Specifically:

- For the 10<sup>th</sup> consecutive month the special "green" residential bill Value Special at 0,159 € / KWh.
- The "blue" Value Secure 12M at the extremely competitive price of 0,099 € / KWh with consistency discount for confidence and security for 12 months.
- A combined Value Power & Gas 12M fixed plan at a rate of €0.099/KWh for electricity and a **new reduced rate of €0.0369/KWh for natural gas**, exclusively for residential customers is offered. Additionally, customers receive a €50 gift voucher for purchases at Praktiker.
- **For a full year**, the residential "yellow" variable bill is consistently offered at the **same price** of €0.09093/KWh, in line with the Value Swift on time plan.

It is noted that any government subsidies will be directly deducted from customer bills.

Protergia remains committed to supporting consumers, positively responding to market fluctuations.

And don't forget **Powergiving!**

Every month, 1 big winner wins €50,000, 10 lucky winners win €5,000, and 100 Protergia customers enjoy their account for FREE for a whole year!

Protergia has already rewarded 333 of its customers for their trust.

The next draw is on April 8th!

Always with Protergia's Confidence and Security.
