

## Protergia MVP Home

### *The most valuable energy player is YOU!*

Protergia, MYTILINEOS' Power and Gas Business Unit, the top private energy company, "makes the impossible happen". It joins forces with Giannis Antetokounbo, one of the most important players in the world's greatest basketball championship and makes a unique offer for all Greek consumers. An MVP offer so that everyone can win by 50% difference!

In particular, the Protergia MVP Home Program offers a 50% discount on day & night energy charges for timely payments, while the energy to be consumed, comes exclusively from 'green' sources<sup>1</sup>.

With this new and innovative Protergia product, consumers will enjoy a standing price at 3,95€/month (regardless of prompt payment), without guarantee, with payment via a standing bank account order. And as always, the 'myprotergia' application is offered free of charge, which allows the user to monitor and control his consumption.

With a market share close to 8% and approximating 300.000 customers, Protergia meets the needs of its customers for competitive prices and advanced, reliable services and competitive products.

Because for Protergia, the most valuable player is you!

Protergia expands its network and strengthens its presence in Ioannina, with its first outlet in the city, at 2 Napoleon Zerva street. This is the Company's 6th branch in the country after New Heraklion, Nea Erythrea, Glyfada, Thessaloniki and Patras.
