

PRESS RELEASE

Protergia ensures confidence and safety this winter!

For the 7th consecutive month, Protergia keeps its green bill stable!

Protergia, an integral part of METLEN Energy & Metals, with respect and responsibility towards its customers, offers for the 7th consecutive month the special "green" residential Value Special bill at €0.159/kWh.

Furthermore, it ensures confidence and security throughout 2025 by offering the **new** "blue" Value Secure 12M at the fixed price of €0.099/kWh, while for a few more days, it continues to offer the residential "blue" Value Secure 6M Limited Offer at the market's lowest price of €0.085/kWh.

Protergia's consistently competitive prices remain across all its electricity products, as well as its combined Power & Gas products:

- For the 4th consecutive month, the residential "blue" Value Safe 12M bill is offered at the same price of €0.125/kWh, regardless of payment consistency.
- For the 4th consecutive month, the combined offer for the fixed Value Power & Gas 12M product is offered at the same price of €0.115/kWh for electricity and €0.0399/kWh for natural gas, for residential customers.
- For the 9th consecutive month, the residential "yellow" floating Value Swift On Time bill is offered at the same price of €0.09093/kWh with timely payment consistency.

Finally, as always, if the Government provides any subsidy, it will be directly deducted from the bills.

Even in the winter, Protergia remains committed to supporting consumers, responding positively to market fluctuations.

Always with Protergia's Confidence and Safety.
