

PRESS RELEASE

28 December 2015

NEW SOLAR POWER EPC CONTRACTS FOR METKA EGN

METKA is pleased to announce that its 50.1% owned subsidiary company METKA EGN **has recently signed contracts for turn-key engineering, procurement and construction (EPC) and operations and maintenance (O&M) for seven solar photovoltaic (PV) power plants with a total capacity exceeding 116MW and contract value of approximately of Euro 112 million.**

The **largest of the contracts is with Oriana Energy, LLC**, a subsidiary of the Sonnedix Group (collectively, "Sonnedix"), a leading solar energy Independent Power Producer (IPP), **for a large scale 57MW project in Puerto Rico.** Together with the EPC for the solar plant, which will be completed in mid 2016, METKA EGN will also provide operation and maintenance services.

A further six contracts have been signed for projects in the United Kingdom with leading investors – including **Lightsource and Moser Baer**, both existing clients, and **Canadian Solar** which is a new client for METKA EGN.

Through these new contracts, METKA EGN demonstrates the strong potential of the company for international growth, and positions itself as a new leader in the solar power sector on a global level.

About METKA

METKA is a leading international contractor and industrial manufacturing group. The company provides the complete range of Engineering-Procurement-Construction (EPC) scope for energy and infrastructure projects, and has a significant industrial base for high value-added metal construction applications. METKA is a member of MYTILINEOS Group, the leading independent energy producer in Greece and a strong, competitive European industrial group in the sectors of Energy, Metallurgy and EPC Projects. Further information is available at: www.metka.com.

About METKA EGN

METKA EGN is a joint venture between METKA and the EGNATIA Group, focused on utility scale projects for the global solar power market. The company serves major international clients primarily in the markets of Europe, Middle East, Africa and Latin America. Further information is available at www.metka-egn.com.

About Sonnedix

Sonnedix is an Independent Solar Power Producer (IPP) with a proven track record in delivering high performance cost competitive solar photovoltaic plants to the market. Sonnedix develops, builds, owns and operates solar power plants globally. For more information about Sonnedix, please visit www.sonnedix.com
