ALUMINIUM S.A. receives True Leader Award by the ICAP Group

Yesterday, Tuesday 25 October 2011, **ALUMINIUM S.A.** was presented with the True Leader Award in the context of a ceremony held to celebrate the **True Leaders Award**, a new initiative launched by the ICAP Group this year. ICAP selected 25 companies and 26 Groups, whose performance in the Greek market stood out during 2010, using the following objective and measurable criteria:

- Ranking among the Top 500 most profitable companies or the Top 200 most profitable Groups for 2010, based on their EBITDA figures.
- Ranking among the Top 500 companies or Top 200 Groups with the largest personnel numbers and showing employment growth, during 2010 compared to 2009.
- Ranking in the Top 10 positions of their respective industries, based on their turnover figures.
- A high ICAP credit rating (from BB to AA).

ALUMINIUM S.A. succeeded in simultaneously combining all of the above – high profitability, employment growth, a high ICAP credit rating and a leading position in its industry.

The evaluated companies and Groups were identified on the basis of the data published in the ICAP annual publications, as well as on the evaluation of their credit worthiness by ICAP.
