

## PRESS RELEASE

### Winter with Protergia confidence!

- *Stable prices in energy bills*
- *Value Secure 6M with the lowest market price, €85/MWh*

**Athens, Greece – November 27, 2024** – Protergia, an integral part of METLEN Energy & Metals, as a responsible company and with respect to all consumers – new and existing – ensures to offer safety and security during the winter.

Thus, in December it offers the residential "blue" bill [Value Secure 6M Limited offer](#) with the lowest market price, at €85 / MWh.

At the same time, with respect and responsibility towards all consumers, Protergia maintains at the same stable price levels that applied from July to October, the "green" Value Special residential bill at €159 / MWh.

It is worth noting that the company in November offered an additional discount of 10 euros, based on the then market conditions and will repeat it if conditions allow.

Finally, as always, if the Government proceeds with any subsidy, it will be deducted as such from the accounts.

Competitive prices remain on all Protergia products, fixed and variable, as well as on the combined Power & Gas offers:

- the residential "blue" Value Safe bill 6M at €95 / MWh for the 10th consecutive month
- the residential "blue" Value Safe bill 12M at €125 / MWh for the 3rd consecutive month
- the combined fixed product Value Power & Gas 12M at €115 / MWh for electricity and €39,9 / MWh for natural gas for residential customers for the 3rd consecutive month
- the residential "yellow" variable bill at the same price of €90,93 MWh as Value Swift for the 8th consecutive month

Protergia, with a sense of responsibility, is committed to always respond positively and for the benefit of consumers to market fluctuations.

Always with the confidence and safety of Protergia.
