

PRESS RELEASE

For nearly a year, Protergia has been absorbing every fluctuation in the energy market, offering -also in May- Safety and Confidence

- *For the 11th consecutive month, the green **Value Special** bill remains stable at €0.159/kWh*
- *The fixed **Value Secure 12M** bill remains at €0.099/kWh*
- *The variable **Value Swift on time** bill stays at €0.09093/kWh*

Athens, Greece – April 29, 2025– [Protergia](#), an integral part of [METLEN](#), continues to deliver **Safety and Confidence**, maintaining its stable green electricity bill for the 11th consecutive month in May. At the same time, Protergia continues to offer competitive and beneficial electricity products for consumers, as well as reduced prices on Power & Gas bundled products.

Specifically:

- For the 11th consecutive month, the special “green” residential bill **Value Special** remains at €0.159/kWh.
- The “blue” **Value Secure 12M** bill is offered at the highly competitive rate of €0.099/kWh, including a consistency discount, ensuring security for 12 months.
- For over a full year, the “yellow” residential variable bill has remained at the same price! The **Value Swift on time** bill continues to be offered in May at €0.09093/kWh, rewarding customer consistency.
- The combined **Value Power & Gas 12M** offer remains at €0.099/kWh for electricity and is now available at the **new reduced rate of €0.0369/kWh for natural gas**, not only for new but also for existing residential customers, who will see the reduced rate reflected on their May bill automatically – with no action required.

It is noted that if the Government proceeds with any subsidies, these will be fully deducted from the bills.

Protergia remains firmly committed to supporting consumers in the face of the uncertainty caused by market volatility.

And don't forget Powergiving!

Every month throughout 2025, 1 grand winner receives €50,000, 10 lucky customers win €5,000 each, and 100 Protergia customers enjoy **a whole year with no energy bills!**

Protergia has already rewarded **444 customers** in the past 4 draws for their trust, and the next draw for 111 new lucky customers is scheduled for **May 9th!**

Always with Safety and Confidence by Protergia
