

PRESS RELEASE

Autumn with lower prices from Protergia

Protergia Powergiving keeps spreading gifts!

Athens, Greece – August 28, 2025 – **Protergia**, an integral part of **METLEN**, staying attuned to market trends, continues to support consumers with reduced bill prices and competitive fixed products.

Thus, in September, Protergia will offer safety and confidence with:

- the **green residential bill at €0.159/kWh** with consistency discount (-11.2% from August)
- **its bills tariffs up to 18% cheaper**. The new yellow residential bill *Value Deal on time* continues to be available at the highly advantageous price of €0.09093/kWh
- the autonomous Natural Gas at the reduced price of **€0.0369/kWh** through the combined *Value Power & Gas 12M offer*, and
- for those who prefer stability, the blue tariff *Value Secure 12M* is once again available for another month at the exceptionally competitive price of **€0.099/kWh** with consistency discount, ensuring 12 months of peace of mind and security.

At the same time, Protergia continues to offer *Protergia Picasso*, **the most innovative product in Greece** and the only one that guarantees exactly the same bill every month. The consumer **chooses the amount to be paid monthly for electricity, depending on their needs, from 9 different packages, for an entire year**, covering all energy charges (both competitive and regulated)!

Now, with the start of the new academic year, Protergia also takes care of students with a unique offer. Specifically, it provides ***Protergia Picasso Small 1***, which covers the entire energy cost of a student apartment for €29.99/month—so you know exactly what you will pay each month. And additionally, **2 MONTHS FREE**.

Protergia not only offers safety but also great prizes through [Powergiving!](#) Since the beginning of the year, it has distributed **€800,000 to 88 grand winners** and has covered the electricity bills of **800 customers for a whole year**. In total, since the start of the year, **888 Protergia customers** have been enjoying rewards that stand out for their size and value, while 4 more major draws remain until the end of the year.

In the August draw held yesterday, another 111 lucky Protergia customers won unique prizes. You can view the full list of winners from the draw [here](#). The Powergiving draws are open to both existing and new Protergia customers.

The next draw is scheduled for September 22!

Always with certainty and security, Protergia.
